Regulation Act, 1976 and which are the beneficiaries of funding from foreign agencies during the years 2001-02, 2002-03 and 2003-04;

(b) the details of the purpose for which these organizations have been receiving foreign funds;

(c) whether Government are aware that some of the N.GOs are engaged in work that they are not official permitted to carryout in India or which incite extremists and subversive ideologies; and

(d) if so, what are the names of such N.GOs and the action Government have taken against them?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI SRIPRAKASH JAISWAL): (a) and (b) The details of NGOs registered under the Foreign Contribution (Regulation) Act, 1976, are contained in the Annual Report on the 'Receipt of Foreign Contribution by Voluntary Associations' brought out by the Ministry of Home Affairs. This Report contains State-wise, Country-wise and purpose-wise receipt of foreign contribution. Copies of the Report upto the year 2002-03 are available in the Parliament Library; the Report for the year 2003-04 is under compilation. The up-to-date list of registered N.GOs is available on the MHA's web site:—*mha. nic. in/fcra.htm.*

(c) and (d) Reports about the misutilization of foreign contribution by voluntary associations, whenever received, are enquired into and appropriate action is taken against the concerned association under the relevant provisions of the F.C.(R) Act, 1976.

Awareness among the people

4424. SHRIMATI VANGA GEETHA: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether Government have drawn up any action plan to create awareness on earthquakes among the people in the country; and

(b) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS

(SHRI S. REGUPATHY): (a) and (d) Yes, Sir. A National Programme for Awareness Generation as a part of overall disaster risk management strategy has already been udnertaken. A Steering Committee for this purpose has been constituted at the National level with representatives from diverse streams of media & communication sector including Doordarshan, All India Radio, DAVP etc. The public awareness campaign already launched includes broadcast of spots by AIR through National, FM and Regional Channels and by DAVP through bus back panel and wall painting at block, Tehsil and district levels in the most vulnerable States/Union Territories, Urban Earthquake Vulnerability Reduction Project which is a component of Government of India-UNDP Disaster Risk Management Programme is under implementation in 38 cities having a population of more than five lakh falling in seismic zone III, IV or V. The Project provides for creation of awareness about earthquake vulnerability and possible preventive actions to be taken among the Government functionaries, Technical Institute, Urban Local Bodies, Regulatory Agencies (Municipal Corporation, Development Authorities, practicing engineers/architects, builders etc.), Resident Welfare Association and Communities.
